You must have heard of “For you, a thousand times over.” from a book called The Kite Runner.

Guilt, love, betrayal, tears. The Kite runner has it all.

The Kite Runner **is among the most touching** books **I have come across**.

The author **knows how to keep his readers engaged through vivid description of the imagery and by bringing the characters to life in a stunning way.**

I had read this book for several times, but every time I read, I burst into tears. The Kite Runner **is the only book I have read so far which had me in tears.**

From the bond between a father and a son, to the bond between close friends, The Kite Runner **captures relationships and emotions so beautifully that the reader will be left shocked while reading the book.**

The Kite Runner is one of the very few books that will leave an impact on the reader for a very long time.
